RE: **Fire System Testing**

Fire System Testing

Saturday, April 18, 2026

The semi-annual FM200 fire system confidence testing for the Data Center and Room 2041 will begin at 8am on Saturday, April 18th. The horns and strobes will sound during testing and will be seen and heard throughout the building. Evacuation will not be required.

Horns and strobes will sound intermittently, and testing of other systems will be occurring as well. Testing should be completed by 12pm. If you plan to be in the building during these hours, you are encouraged to bring a set of ear plugs. Any fire alarm associated sounds after 12pm should be treated as a real incident and evacuation should occur.

Your cooperation is appreciated as we perform this important safety testing.

If you have any questions or concerns, please contact your agency representative at the following address:

- For DOC email DOCHQmanagementservices@doc1.wa.gov
- For WSDOT email HQFacilitiesHelpDesk@wsdot.wa.gov

This bulletin and other recent bulletins can be found posted on the ELG Building website at www.elgbuilding.com.

Sincerely,
