RE: **Fire Alarm Test/Inspection**

Fire Alarm Inspection

Tuesday, September 22, 2026

Testing will begin at 6am on Tuesday, September 22 for the construction on first and second floors. The horns and strobes will sound and be seen throughout the entire building. Evacuation will not be required during testing.

Horns and strobes will sound intermittently during testing and should be completed by 7am. If you plan to be in the building during these hours, you are encouraged to bring a set of ear plugs.

Any fire alarm associated sounds after 7am should be treated as a real incident and evacuation should occur. We appreciate your patience and cooperation!

If you have any questions or concerns, please contact your agency representative:

For DOC email: DOCHQmanagementservices@doc1.wa.gov

For DOR email: DORofficeservices@dor.wa.gov

This bulletin and other recent bulletins can be found posted on the ELG Building website at www.elgbuilding.com.
