Parking Lot Painting Project – Saturday, September 26th

Wright Runstad & Company has scheduled painting in areas of the parking lot for September 26. Spaces within the fenced area will become designated for DOR, the oversized parking spaces will be redistributed, some of the EV Carpool parking spaces are being designated for visitor parking, while the carpool/vanpool parking along 73rd will become general parking.

Please review the attached drawing to familiarize yourself with the parking changes and be sure all vehicles are removed from the affected areas by end of day Friday, September 25. We appreciate your patience and cooperation as we complete this work.

Thanks for helping us keep ELGB looking its best! If you have any questions or concerns, please contact your agency representative:
