RE: **Welcome Dept of Revenue!**

Welcome, Department of Revenue, to the ELG Building!

The first phase of the DOR moves will begin on September 14. During this time, there will be increased activity throughout the building—particularly around the freight elevator—as furniture, boxes, and equipment are brought in.

To help the transition go as smoothly as possible, we kindly ask everyone to reserve the freight elevator strictly for moving large items, carts, or heavy boxes. If you are simply traveling between floors, please use the passenger elevators so the moving teams can keep things progressing efficiently.

DOR expects to complete its move-in by November 1, at which point normal freight elevator use can resume.

Thank you so much for your patience, cooperation, and assistance in making our new neighbors feel welcome!
