RE: **Department of Revenue Moving to ELGB**

New Agency Department of Revenue

*****Construction Begins Wednesday, July 1st, 2026*****

The Department of Revenue (DOR) officially becomes a tenant at ELGB on July 1, 2026!

To prepare the space for occupancy, construction activities will begin soon on Floors 1 and 2. The majority of loud work has been scheduled outside of normal business hours to minimize disruptions to existing tenants.

During this time, please expect increased use of the freight elevator for construction activities. Wait times may be longer than usual. To help keep the project moving safely and efficiently, we ask that everyone's freight elevator use be limited to the transportation of materials and equipment rather than routine passenger travel whenever possible.

Safety Reminders

- Construction areas are active job sites and are strictly off-limits to anyone not directly involved in the project.
- Use caution when traveling near construction areas and observe all posted signage and temporary barriers.

Thank you for your patience and cooperation as we work to improve the building. If you have any questions or concerns, please contact your agency representative at the following address:

DOCHQmanagementservices@docl.wa.gov

This bulletin and other recent bulletins can be found posted on the ELG Building website at www.elgbuilding.com.

Sincerely,

Wright Runstad & Company
